

BEST PRACTICES -Pre- Placement Campus Interview.

Objectives.

1. The program was arranged in co-ordination with Just Dial an Indian Internet Technology Company.
2. So as to search the talents among the candidates to suit their requirements of jobs that appeared for the interview.
3. This program was not only meant for availing job opportunities to the successful candidates but also to make awareness among the other candidates what are the current requirements of various jobs and also to make awareness among the candidates the actual book knowledge and the practical knowledge required for the jobs to make them aware about the facts.

Context -

The program contains the major part of interview by which the candidates were being judged for liable to the Jobs, where in placement talk, online test, interview by senior supported by documentary evidence and documentation and finally releasing offer letter with proper training and joining letters were included the candidates tried best from their level so as to prove them capable as per their qualifications with great zeal and enthusiasm.

Problem Encountered –

As an optional case some candidates were not able to attend the program due to their unavoidable circumstances like sickness, travelling problems in initial stage as a fresher's the candidates were confused and hesitating to respond but soon the techniques of the Just Dial employees solved the problems in co-ordinations and co-operations from our side.

Evidence of Success –

1. The program was successfully conducted so as to get the proper candidates to Just Dial and also get familiar to the organizers as well as the participants the knowledge of job requirements here are few documents and photos to show the same.
2. No of Participants, Names, Degrees held, Marks obtained, contact No, Signs etc
3. Details of Interview, Posts, Interviewed candidates, Selected candidates,
4. Photos of full Programme.
5. Photo of Just Dial staff and sponsors.

OUTCOMES –

The program lead candidates to focus on their goals to get proper jobs suitable to their degrees and knowledge as well as the most extent get familiar to the sponsors what are expectations for job opportunities the candidate got confidence to face interviewers as well as mentally prepared to face interview and got idea about the techniques of interview. Finally last but not least the college get satisfied that they are not merely imparting educations but also helping to get jobs also which is also important.

Dear Sir,

Thank you so much for this. We are looking forward to make this drive successful. Please invite all the students from your colleges as well as nearby.

Interview Process :

1. Preplacement Talk
2. Online Test (Mobile)
3. Manager Interview
4. Documentation
5. Offer Letter Release (post document verification)
6. Training and Joining (within 2-4 days)

Sandip Magadum
